

Lakedell Farmers' Markets – Wagonloads of Information to Save the Lake

PLWA invites you to come to the Lakedell Farmers' Market to learn what can be done to get rid of the blue-green algae infecting Pigeon Lake. Displays by *Cows and Fish*, *Capital Health*, *Alberta Stewardship Network*, *Alberta Sustainable Resources* provide necessary information to help heal the Lake.

You can also support the Lake by joining the Pigeon Lake Watershed Association. The PLWA is a voluntary association committed to improving the integrity of the Pigeon Lake Watershed so funds go directly to programs and actions to protect the Pigeon Lake Watershed. Memberships will be available for a low cost every Friday from May 9 to August 29 from 4:30 – 7:30.

For information or to volunteer some time to help please contact Larry Fisk at larryfisk@xplornet.com 780-586-0728
